

IVEGILL READING CAFE

Thanks to all the children, parents and grandparents who attended our first Ivegill Reading Café.

The aim of our Café was to promote reading for pleasure across school in an informal and relaxed setting to give parents/carers and children the opportunity to share books and stories. There was such a buzz in the school hall, and it was great to see everyone exploring a range of genres whilst enjoying a drink and a snack.

We had themed tables with books from other cultures, mystery, adventure, fantasy, real-life, picture and non-fiction along with props for each genre.

If you couldn't make the event this week, don't worry.

We aim to host some more reading cafes later in the school year and we would love it if you could join us.
