Fantastic school. Caring, nurturing and pushes the children academically.

More spaces in the after school clubs would be good

We are extremely happy with the high standard of teaching and care at this school. It's a very well run school and always looking to the future but most of all puts the children first, making sure it's the best days of school life for them all. Can't speak highly enough of this primary school . Thank you

My children would like to take part in more sports including local school competitions.

More after school clubs would be beneficial even with a charge. It would be great to see more children (not just small groups of children) included in tournaments with other schools, regardless of ability.

We are really pleased with the school. The staff are so kind and caring and give off the impression that they love teaching the children- what more could you ask for.

One of my children is under S&L and audiology and has been very well supported

Good mix of clubs this year. Great to be able to get back into school for parents evenings and see the books. Getting information about topics is really helpful for conversations at home about their learning.

My children are happy at Ivegill & I feel supported as a parent. It would be good if there were more after school clubs but it is understandable why there is not with it being a small school.

Thank you for all your do.

A fantastic place to send my children.
